King Fahd University of Petroleum & Minerals

Dhahran, Saudi Arabia

www.kfupm.edu.sa

King Fahd University of Petroleum & Minerals (KFUPM) was established in 1963 and is located in Dhahran. In a short time, the University blossomed into a world renowned center for education and research, with a population of around 7,500 students. KFUPM offers both graduate (MS and Ph.D.) and undergraduate degrees.

With faculty drawn from the best and brightest from all over the world, and students attracted from the top 2% of potential applicants, KFUPM has become culturally diversified and intellectually innovative. KFUPM's thousands of graduates have achieved positions of trust in all sectors of the Kingdom and around the globe.

*KFUPM is ranked (#266)
in the Times Higher Education QS
World University Rankings for 2009*

Today, with a clear vision and an ambitious mission, KFUPM is a symbol of advancement and a model for university of the future.
